

# Ongoing Program for differently abled people and paralympic sports Implementing Agency – Svayam

**Svayam is India's leading accessibility organisation, dedicated to reshaping societal perspectives about individuals with reduced mobility. Svayam is a non-profit trailblazer in the field of accessibility, committed to forging a world without barriers for all. Svayam has made significant contributions worldwide for over two decades with its work. From the Qutab Minar – the Taj Mahal, India's international airports, the Supreme Court of India, and so much more, Svayam has notably made India's infrastructure and transportation accessible.**

# Ongoing Program for differently abled people and paralympic sports Implementing Agency – Svayam

- The official accessibility partner for the Paralympic Committee of India (PCI), Svayam has played a pivotal role in ensuring that the Indian Para Contingent enjoys an accessible and inclusive experience during the Paris Paralympics 2024.
- Svayam's ongoing commitment to promoting accessibility in sports, continuing a collaboration that has spanned 4-5 years.
